

Flexible. At every step. SUREPLAY® Sportex

SUREPLAY® Sportex is an indoor and outdoor turf system. It is ideal for small playing fields like football grounds and tennis courts or multisport grounds.

The weather-resistant sports surface system can be individually fitted to your requirements and laid out in different versions. The top layer consists of filled or unfilled PP, PE or PA fibre material. The elastic layer is made of PU-bound recycling granules or other suitable materials like prefabricated material.

The environmental impact assessment has been carried out and certified according to DIN V 18035-6.

Set-up height:	max. 35 mm plus turf
Base layer:	max. 35 mm recycling granules or prefabricated elastic layers
Wear layer:	varies depending on turf system
Standards:	DIN V 18035-7

- 
Meets DIN V 18035-7
- 
Slip resistant
- 
Environmentally compatible
- 
Hygienic
- 
Weather resistant
