

## Flexible. At every step. SUREPLAY® Supersprint

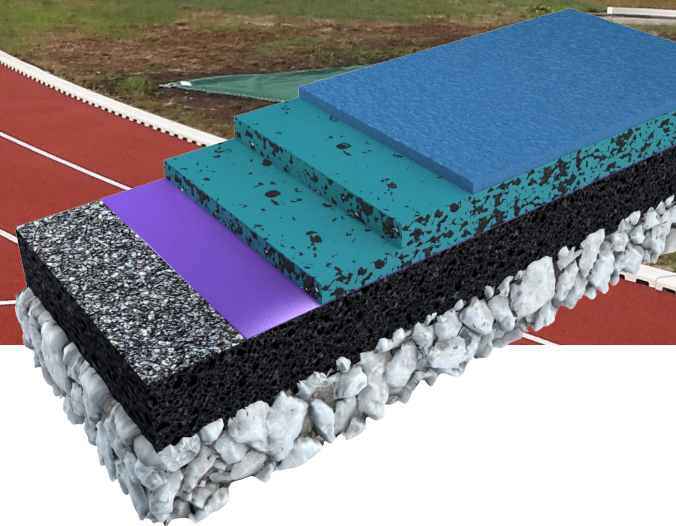

SUREPLAY® Supersprint is perfect for high-performance athletics. The surfacing system can be classified IAAF-conformably.

This SUREPLAY® sports surface is a jointless, water-impermeable all-weather outdoor-surface.

For massive coatings or solid plastic surfaces with 2-K PU-coating made of rubber granules we exclusively use highly elastic and durable material components.

It is manufactured impermeable to water, as multi-part massive PU-surface, including a finish with interspersed granules.

The environmental impact assessment has been carried out and certified according to DIN V 18035-6.
